

# YOUTH EVENTS & ACTIVITIES OUTREACH SERVICES

Choctaw Nation Youth Events & Activities (YEA) offers a wide range of exciting opportunities for Choctaw youth, with over 40 events held annually. These activities include athletic clinics, STEAM (Science, Technology, Engineering, Art, and Math) camps, and unforgettable experiences like attending NBA games. YEA partners with college coaches, professors, and even NASA engineers to provide educational experiences in a fun and engaging way. Whether you're interested in sports, learning new skills, or exploring exciting new fields, the Youth Events & Activities program is packed with opportunities for growth and enjoyment. Don't miss out on a year full of adventure and knowledge!
